

NOTICE

WHEREAS, as per the Clause 38 (b) of the Diu Municipal Building Model Bye Laws and Zoning Regulation (2nd Amendment), 2013, it is mandatory to install Rain Water Harvesting (RWH) system in the building with plot area more than 200 m²;

AND WHEREAS, it has been observed by the undersigned that many of such residential/commercial buildings, Hotels, Guest Houses etc. have failed to install Rain Water Harvesting (RWH) system in their building which is in contravention to the building Bye Laws;

THEREFORE, such owners of the buildings are hereby directed to install Rain Water Harvesting (RWH) system in their building before 15 September, 2019, failing to which this council shall come to the decision of cancelling their occupancy certificate.
